Ella 4-Fold Shower Screen

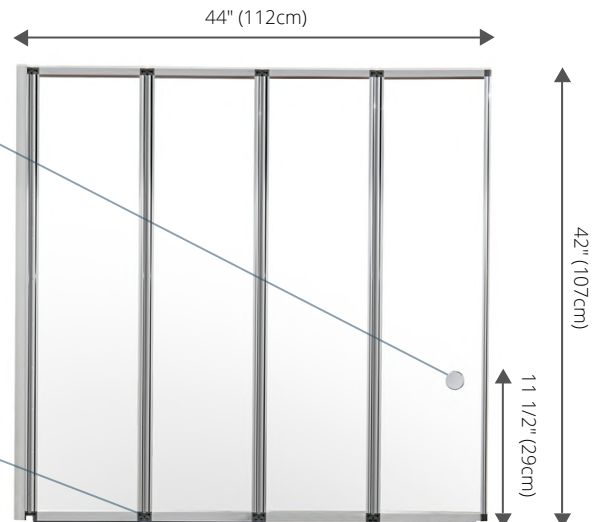

Our 4-fold glass screen is a great alternative to a shower curtain and a great addition to your walk-in tub. It operates smoothly and easily and offers great splash protection. In addition, this glass screen provides an open and airy bathing experience.

Door knob to easily open and close the shower screen from either side of the tub.

High quality geared hinges for reliable daily use. To stop water from leaking, a secure rubberized seal runs along the bottom of the screen.*

Ella Gravity Driven 2" Dual Drain Technology

Ella Ultra walk-in tub is equipped with Dual Drain Technology, the fastest gravity drain system in the industry. Dual 4 port, 2" oversized drains, independently operated by stainless steel cables eliminates the water in your tub quickly and efficiently. Fast drain times means minimal wait times. Furthermore, the drain handles are designed for a comfortable and easy grip.
